

The GPSC incentives continue to change in response to physician feedback collected during the visioning consultations, and to support the strategic objectives of the patient medical home model. The majority of the changes came into effect as of October 1, 2017. Additional changes to GPSC incentives will come into effect as of January 1, 2018.

The following table summarizes the changes to GPSC incentives to better support physicians in their practices:

REVISED: November 30, 2017

Previous	Change
GPSC Portal G14070 and G14071	
<p>When submitting claims for G14070 and G14071, the name associated with the PHN# was "Attachment Participation".</p> <p>PHN: 9753035697 Patient Surname: Participation First name: Attachment Date of Birth: January 1, 2013 ICD9 code: 780</p>	<p>Effective January 1, 2018: When submitting claims for G14070 and G14071, the name associated with the PHN# will be changed to "GPSC Portal".</p> <p>PHN: 9753035697 Patient Surname: <i>Portal</i> First name: <i>GPSC</i> Date of Birth: January 1, 2013 ICD9 code: 780</p>
GP Facility Patient Conference G14015, GP Community Patient Conference G14016, GP Acute Care Discharge Conference G14017	
<p>Fees compensated GPs for conferencing with college-certified allied care providers (ACPs) to improve patient care and continuity.</p>	<p>Effective January 1, 2018: Fees no longer available. Conferencing with ACPs may be compensated through use of G14077. For other GPSC fees that support conferencing please see the FAQs.</p>
Chronic Disease Management G14050, G14051, G14052, G14053	
<p>One of the two required visits must be in-person with the FP and one may be a group medical visit or by telephone with the FP or nurse (G14079 and G14076 may have been delegated).</p>	<p>Effective October 1, 2017: Allow one of the two required visits to include an in-person visit with a college certified allied care provider. (See G14029 for details of new ACP visit code)</p>
Allied Care Provider Visit G14029	
<p>*new*</p>	<p>Effective October 1, 2017: Allow a college certified allied care provider (ACP) to provide one of the visits required for GPSC chronic disease management. Submission of this \$0.00 fee by the</p>

	family physician indicates an in-person visit was provided by a college certified allied care provider working within the family physician's practice where the family physician has accepted responsibility for the provision of that care.
Planning Visits for Complex Care G14033 and G14075, Mental Health G14043, and Palliative Care G14063	
Varied requirements for whether a same day visit service must or may be billed on the same day as the planning incentives.	Effective October 1, 2017: Allow the option for a same day visit service to be billed on the same day as the planning visit fee for any reason.
Varied requirements for whether the 30-minute total planning time must take place all on one day.	Effective October 1, 2017: Allow for the required 30-minute planning time to not all have to take place on one day and enable appropriate non-face-to-face planning tasks to be undertaken by a college certified allied care provider employed within the physician practice.
Varied requirements for whether all or majority of the 30-minute planning time must be face-to-face.	Effective October 1, 2017: Require the majority of the 30 minutes to be face-to-face across all planning incentives.
Mental Health Management G14044, G14045, G14046, G14047, G14048	
Fees did not allow delivery by videoconferencing	Effective October 1, 2017: Allow delivery by videoconferencing to align with the current MSP counselling telehealth visits.
Telephone/Email Follow Up Management G14079	
Restricted to patients for whom a GPSC planning fee has been billed. Can be delegated to AHPs, including MOAs.	Effective October 1, 2017: Fee no longer available. Physicians who have submitted G14070 can bill G14076 GP-Patient Telephone Management for a clinical telephone discussion with any of their patients.
GP-Patient Telephone Management G14076	
Value was \$15.	Effective October 1, 2017: Increase the value to \$20 to better reflect relativity to a base office visit.
GP-Patient Email/Text/Telephone Medical Advice Relay G14078	

<p>*new*</p>	<p>Effective October 1, 2017: Allow for GP-patient email/text/telephone medical advice relay, applicable to all patients and delegable to ACPs, including MOAs.</p> <p>The new G14078 to \$7 better aligns with comparable Fee for Service INR fee G00043 (value of \$6.83).</p>
<p>GPSC Portal G14070/71, Frailty Complex Care G14075, Telephone Management G14076, Allied Care Provider Conference G14077</p>	
<p>Labeled "attachment" fee codes to support A GP for Me.</p> <p>*new*</p>	<p>Effective October 1, 2017: Deletion of "attachment" from the fee code names as A GP for Me has completed.</p> <p>Effective October 1, 2017: Rename Attachment Complex Care Management G14075 to GP Frailty Complex Care Planning and Management.</p> <p>Effective October 1, 2017: Rename Attachment Telephone Management G14076 to GP-Patient Telephone Management.</p> <p>Effective October 1, 2017: Rename Attachment Patient Conference G14077 to GP-Allied Care Provider Conference.</p> <p>Effective October 1, 2017: Rename the GP Attachment Participation Portal G14070/71 to GPSC Portal. For information about fees that are accessible through participation in the portal please see the FAQs.</p>
<p>Unattached Complex/High Needs Patient Attachment Fee G14074</p>	
<p>Compensated for the time, intensity and complexity of integrating a new patient with high needs into a family physician's practice.</p>	<p>Effective October 1, 2017: Fee no longer available. For other GPSC incentive fees that support the care of complex patients, please see the FAQs.</p>
<p>GP with Specialty Training Urgent Telephone Advice Fee G14021</p>	
<p>Payable to a GP with specialty training for urgent communication regarding assessment and management of a patient. Only eligible for requests initiated by a</p>	<p>Effective July 1, 2017: Expanded eligibility for fee G14021 to include requests for urgent telephone advice initiated by a college-certified allied care provider (ACP).</p>

Fee changes 2017
Incentive Program

specialist or a GP.	
GP with Specialty Training Telephone Patient Management G14023	
Paid \$20/15 minutes or portion thereof.	Effective July 1, 2017: Alignment of G14023 and G14076, making both worth \$20; deletion of the per 15 minute component.
